

SCM The School of Loss Control Technology

A World of Knowledge

2-day Sprinkler Systems Seminar

Did you know

A National Fire Protection Association study estimates that the death rate and property loss in a sprinkler protected building is 50-66% less than in a non-sprinklered building.

The School is offering a two-day Sprinkler Systems Seminar on **March 22 & 23, 2010**. Please fax/email the attached form to the Registrar, The School, 150 Commerce Valley Drive West, Markham, ON - Tel: 905-882-6300 Ext. 5404 – Fax: 905 695-6543 - e-mail: yvonne.lincoln@scm.ca

Topics Covered Include:

- History of Sprinkler Systems
- Quick Opening Devices
- Testing and Flushing of A.S. Systems
- Introduction to Automatic Sprinklers
- Hangars, Drains and Pitch
- Testing of Sprinkler Heads

Participants will:

- Be introduced to automatic sprinkler systems and the many changes and improvements that have taken place over the years.
- Learn about alarm check valves, dry pipe valves and their associated trim.
- Receive instruction on troubleshooting problems when they occur.
- Become familiar with the testing of sprinkler systems including test frequencies, procedures and their relevancy.
- Learn about the types of system designs.

Upon Completion:

- There is no examination
- Participants will receive a copy of the latest edition of NFPA 13.
- A certificate will be issued to all attendees.
- **13 hours RIBO credits in the Technical category.**

SCM-The School of Loss Control Technology

The course will be held at 150 Commerce
Valley Drive West, Markham, ON L3T 7Z3.

JOEL LIFSCHITZ IS BACK!

Joel Lifschitz has 35 years experience in the insurance and loss control industry. He also spent many years as a sprinkler building inspector, responsible for inspections as part of the overall loss prevention program and for ensuring conformance to various sprinklered building standards and fire codes.

Joel joined The School in 1977 and has trained thousands of insurance professionals in Canada and the United States. He has taught courses for other organizations, such as the University of Nova Scotia, George Brown College and the Insurance Institute of Canada.
