A World of Knowledge

June 14-17, 2010 - Markham, ON

Liability Loss Prevention Course A-3

Did you know:

Each year 10,000 Canadian children are injured on playgrounds.

Our student success rate is over 90%.

The School has over 40 years experience providing quality instruction.

We are offering a three and a half day course that will improve your understanding of liability hazards and offer solutions to complex and potentially costly liability loss exposures in today's litigious society. You will learn how to protect against unforeseen losses and minimize unavoidable risks. Using case studies, you will learn valuable techniques to help you make informed decisions in your daily work. Those who would benefit most from attending this course include Underwriters, Loss Prevention personnel, Claims Handlers and Adjusters and Risk Managers.

Topics covered include:

- Law Pertaining to Liability Insurance
- Common Inside and Outside Hazards
- Products Liability Insurance
- Premises Liability Insurance
- Manufacturers' and Contractors' Liability
- Pollution Liability

You will:

- Learn about the laws pertaining to liability insurance through case studies and develop an understanding of the legal relationships between various parties.
- Learn about common inside and outside hazards, as well as, exit requirements, elevators and escalators.
- Benefit from learning about the Law of Products Liability and its affect on product manufacturers since 1932.

- Discuss manufacturers and their contact with the public. Concerns such as plant location, control of special hazards and pollutants, visits to the site, deliveries and company sponsored events will be addressed.

Instructors:

All of our instructors have many years of experience in their relevant field of expertise.

The courses have been developed and implemented by the actual instructors based on standards, industry rules and regulations and their own professional experiences.

Our courses are practical, hands-on and allow the student to return to their profession fully equipped with the skills acquired within the course.

Accreditation:

- Insurance Institute of Canada – C38*
- RIBO – 12 hours Technical
- Insurance Council of BC – 24 hours Technical
- Supported by the Canadian Fire Safety Association
- Approved by Building Owners and Managers Institute International Inc. (BOMI)
- Ministry of Alberta Finance – 24 hours General, Adjusters Certificate
- CHAD – 20 hours Technical, 4 hours legal

Fees:

\$875 plus GST.
